WTCC TO RESUME IN ONE MONTH TIME

Following the cancellation of the season's second event in Mexico the FIA WTCC is looking forward to resuming in Marrakech on May 2nd.

This will be the second time the championship has visited Morocco with its fast 4.5-km circuit winding along the boulevards of the Agdal hotel district, in the Southern outskirts of Marrakech.

Compared to last year, when it was inaugurated, bringing international auto racing back to Morocco after half-a-century, the racetrack has been slightly modified. The two chicanes on the long Avenue Mohammed VI straight have been redesigned to make them faster and safer.
